RE: 78th Annual Midwest Political Science Association Conference April 14 - 18, 2021

Dear James,

I am pleased to extend to you an invitation to attend the 78th Annual Midwest Political Science Association Virtual Conference. Your paper was selected by the Program Committee, after peer review of Division Chairs for oral presentation. The conference will be held virtually Wednesday, April 14 to Sunday, April 18, 2021.

The 2021 conference includes 800+ sessions with over 5,800 presenters from throughout the United States and 60+ foreign countries. By presenting a paper at the MPSA annual conference, you will need to provide a copy of the paper in advance to the discussants and chairs of the peer reviewed session by uploading your paper to the MPSA website, as indicated with further instruction in March. The preliminary schedule will be posted in mid-January on our website www.mpsanet.org under the Annual Conference tab with specific days and times of sessions. At that time, you can search on your name and print the pertinent information and presentation type. You are accepted for the following:

The title of your accepted proposal or session: Characterizing News Portrayal of Civil Unrest in Hong Kong 2019-2020
Roles on the accepted proposal or session: Author

If you have questions regarding entrance into the United States you can locate this information on the U.S. Department of State website at: <https://travel.state.gov/content/travel/en/us-visas/business.html>

Should you have additional questions about the conference, please contact MPSA's conference team conf@mpsanet.org or (812) 558-0588, Ext. 1. We look forward to meeting you in person in Chicago.

Best regards,

William Morgan, Ph.D.
